QUESTIONS?

Contact your marketing representative at 1-800-288-2227 ext. 42328 if you have questions.

February 24, 2009

Vol. VIII, No. 02

System Conversion Information

Starting Thursday, February 26th, we will begin a series of system upgrades that will temporarily impact processing enrollment changes, additions and terminations. Specifically, all groups who renew in September, October or November will be unable to access *BluesEnroll*SM during this upgrade or have the following changes made:

- Add/remove members
- Add/remove dependents
- Update member/dependent information
- Create reports

Any changes submitted to BlueCross by these groups will not be completed until after the system upgrade. The only exception is for prescription drug coverage. To add a member to prescription coverage please fax the hardcopy form to 803-264-0143 for processing. We expect the upgrade to take approximately eight business days. We will notify you after the update is complete.

Once the update is complete, these renewing groups will receive bills in a new, easier-to-read format. These groups will also be able to choose to pay their premium by bank draft or credit card on either a one-time or recurring basis.

This initial upgrade will be followed by two more implementations, currently scheduled for June and September. We will notify you of the groups included in each change and the timetable as we get closer.

Please key enrollment changes into *BluesEnroll* by February 24th.
