## New Web Site for Agent Supplies

We're making some improvements to our online supply ordering Web site. Beginning Monday, Feb. 8, the new address for the Web site will be <http://scplan.cgxsolutions.com>.

The new site features improved product categories, easier navigation, and the option to customize your preferences. Finding materials will be very similar to the old site. You can find brochures, applications and flyers by entering the appropriate item number in the search box, searching by name or browsing materials by category.

For agents with existing accounts, you'll be able to log in like you always have. Some agents with accounts created in the last 60 days may need to create a new account. You can create an account by contacting Rebecca Lord at [rebecca.lord@bcbssc.com](mailto:rebecca.lord@bcbssc.com) or 803-264-2538.

During the transition from the old site to the new site, there may be some delays in the delivery of supplies. If you need any marketing materials immediately, please call your marketing representative.

Please make sure you change your bookmark for this address or add it to your list of bookmarked sites. The old site will still be accessible, but your login information will not work. Keys Printing is no longer handling the shipping of our agent supplies. Please contact your marketing rep or Rebecca Lord with any questions.
