BlueCross BlueShield of South Carolina and BlueChoice[®] HealthPlan Reach Agreement with Carolinas Healthcare System Physician Groups

We are pleased to announce that we have successfully reached a three-year agreement with Carolinas Healthcare System Physician Groups. As a result, its South Carolina physician practices in York, Chesterfield and Lancaster counties are back in our networks effective April 1, 2010.

When our members visit these doctors, they will once again enjoy the highest level of benefits under their plan's coverage.

We are sending letters to our employer groups and their members to let them know of this development.

We thank you for your patience during the time these physician groups were out of network.

As always, we value the trust you've placed in us to keep health care affordable for your clients in the Piedmont and throughout the state.
