***** GOOD NEWS FOR COMPANION LIFE SC PRODUCERS *****

We have good news for you – Companion Life is decreasing its rates and increasing your commission!

Companion Life is pleased to announce a new, upgraded standard commission scale for the sale of Companion Life True Group (12 +) programs! The current commission scale of 15% flat will continue to apply for the group (2-12 employees) program.

Within the next week, you will be receiving a letter outlining these changes in detail, along with a flyer and new commission agreement. Please read all these materials carefully to be sure you understand all of these changes.

If you have questions regarding these changes, please contact your BlueCross or Companion Life representative.

There has never been a better time to sell Companion Life products!
