Smart habits for a healthy back

YOGA

can help stretch and strengthen muscles and improve posture.

Sit in a chair with good

LUMBAR SUPPORT

and proper position and height for the task.

DON'T SLOUCH

when standing or sitting.

QUIT SMOKING.

Wear comfortable, low-heeled
SHOES.

CONSULT A PHYSICIAN

for intense or persistent back pain.

SPEED WALKING, SWIMMING OR BIKING

30 minutes daily can increase muscle tone.

Focus on a
HEALTHY DIET
to maintain healthy body weight.
