

NYC Medicare Advantage Plus Plan

Effective April 1, 2022, more than 200,000 Medicare-eligible City of New York retirees will transition to the NYC Medicare Advantage Plus plan. This is an update to the originally communicated effective date of Jan. 1, 2022.

The NYC Medicare Advantage Plus plan is a Medicare Advantage PPO group retiree offering through an alliance between Empire BlueCross® BlueShield® (Empire) and EmblemHealth®. The plan allows retirees to visit any doctor nationally that accepts Medicare while ensuring the provider gets paid the negotiated contractual rate or 100 percent of the Medicare allowed rate if non-contracted (less any member copay).

Are you in network?

If you are contracted with your local Blue® Plan's Medicare Advantage PPO network, you are already an in-network provider participating in this plan. You should continue to see your City of New York retiree patients and submit claims to your local Blue Cross Blue Shield Plan.

Are you out of network?

It's no problem if you are not in the network. You can see City of New York retirees and will still get paid 100 percent of the Medicare allowed rate — no contract required:

- You can continue seeing our members as long as you are eligible to receive payments from Medicare.
- Your reimbursement is the same as under Original Medicare.
- Our members are not required to get a referral before they see a provider.

What are the benefits of the NYC Medicare Advantage Plus plan?

You'll notice easier administration with one integrated plan. You no longer need to submit claims to both Original Medicare and the Medicare supplemental plan, and you will receive one payment for both Medicare covered and supplemental services.

How to submit claims: You should submit all claims to your local Blue Cross Blue Shield Plan for processing. Please include the amount the member paid when you submit a claim. The member's copay amount will be noted on his or her ID card for commonly used services. To submit:

1. **By mail:** Submit paper claims to your local Blue Cross Blue Shield Plan. Include the three-digit alphanumeric prefix N6Y that precedes the member ID number listed on the front of his or her card.
2. **By electronic submission:** Submit electronically to your Blue Cross Blue Shield Plan.
